RURAL CHALLENGE

Next step: Turkey

Turkey is the latest country to participate in the "LP Gas Rural Energy Challenge", a joint UNDP & WLPGA program which aims to bring clean, modern energy to the rural poor in developing countries.

Micro-Loan Beneficiary

MICROFINANCE

The Moroccan Example

Microfinance encourages the use of LP Gas in rural areas of Morocco. A short video of this North African success story has been created and the energy consultant Saïd Mouline, one of the driving forces behind this project, has been interviewed.

AUTOGAS UPDATES

Technology Innovation

The 24th edition of our popular Autogas Updates has just been published. Its big interview asked Vialle's Peter Rutten about the Original Equipment Manufacturer's secret of success. In addition, our magazine covers the 1st Pakistani LP Gas Conference and provides the latest autogas news from around the world.
